- depression
- exceptional
- surroundings

**Wakana** Have you thought of any places to go for our honeymoon?

**James** I haven't given it much thought, yet. Do you have any places in mind?

**Wakana** I would really like to go to somewhere in Japan. Perhaps one of the islands in Okinawa would be good.

**James** I have heard a lot of good things about Okinawa.

**Wakana** We could also go to Hokkaido. I have never been there before.

**James** I would really like to drive around Hokkaido someday.

**Wakana** I have seen pictures of the lavender fields in Furano and they look so beautiful.

**James** That'd be a great place to visit, but let's wait a couple of years before we go there. Let's book our honeymoon to Okinawa!

**Wakana** Maybe we should set a date for our wedding first, before we book our honeymoon.

**James** You're probably right!

Student A and Student B are planning a trip in Japan during a specific time of the year and are deciding on the best places to visit.
