Felix	Hey, James. I have recently become interested in the life and times of samurai and ninjas.
James	In that case , you'll probably enjoy a trip to the Kyoto Samurai and Ninja Museum. They have a cool guided tour in English.
Felix	What kind of things can you see and do there?
James	They have interesting artifacts from the medieval times and you can also enjoy a hands on experience.
Felix	What exactly do you mean by hands on experience ?
James	You can wear real samurai armor, take a katana lesson, throw a ninja star, and even use a ninja blowgun.
Felix	Sounds enthralling . No doubt I will be able to learn a lot about the history during those times as well.
James	I have been there once, but I wouldn't mind going again. Let's head there next weekend.
Felix	Excellent!
