Think About It

Why are World Heritage Sites important?

World Heritage Sites are places or buildings of cultural or natural importance. But why do these famous sites need official recognition?

Vocabulary

- | | |
|-----------------|---------------|
| 1. architecture | 5. ruins |
| 2. historian | 6. virtually |
| 3. era | 7. regardless |
| 4. castle | 8. grand |

Scenario 1:

Plan a trip to a Japanese UNESCO site.

Scenario 2:

Tell a friend about your UNESCO visit.

Public money should be spent on scientific research, not on preserving ancient cultural sites.

Share a story about a visit you or someone you know made to a World Heritage Site.
