Scenario 1: New Year's Sales

Student A and Student B are talking about going to a New Year's sale and what they want to buy.

Scenario 2: The Second-Hand Shop

Student A is telling Student B about the bargains they were able to find at a second-hand shop.

Bargain hunting on the Internet is more fun than bargain hunting in 'physical' stores.

Agree :

It's true because on the Internet you can easily compare

Disagree :

This is not always the case as sometimes you can find

- What is the best bargain you have ever got while shopping?
- Where is the best place in Japan to go bargain hunting?
- How often do you go hunting for bargains?
- What do you think about second-hand stores?
