

Culture Shock

Why do people get culture shock?

Daily English Conversation

Super Class

Think About It**East and West**

Many Asians get culture shock when visiting the West, just as Westerners get it travelling to the East. What difference between these regions creates culture shock in some people?

Vocabulary

- | | |
|-----------------|--------------|
| 1. distant | 5. weird |
| 2. uncertainty | 6. horrible |
| 3. stranger | 7. panic |
| 4. subsequently | 8. confusion |

Scenario 1:

Student A shares his/her concerns with Student B about an upcoming journey to a strange place.

Scenario 2:

Student A phones Student B while overseas and explains how the culture is different where he/she is visiting.

Culture shock is a result of ignorance and fear.

Share a story about a time when you felt 'out-of-place' in a strange environment or location.
