

# Festivals

When was the last time you attended a festival?

## Daily English Conversation

**Advanced Class**

# Tell a Story

What makes Japanese festivals unique?

Which features of Japanese festivals do you think makes them special or unique? How do they compare to festivals elsewhere?

## Vocabulary

- |                   |              |
|-------------------|--------------|
| 1. historical     | 5. identity  |
| 2. fashion        | 6. celebrate |
| 3. representative | 7. religion  |
| 4. appearance     | 8. friendly  |

## Scenario 1:

Student A suggests to Student B that they visit a Japanese Festival together.

## Scenario 2:

Student A and B are talking about festivals they have been to in the past.

Commercialization of festivals has reduced their real significance.

## Agree :

I agree with this statement about festivals because .....

## Disagree :

I don't think commercialization has affected festivals because .....

- What do you like about festivals?
- What do you dislike about festivals?
- What is the best festival you have been to?
- Are there any festivals anywhere in Japan or overseas that you'd like to visit?
