Tell a Story

I Could Never Eat ...

Some people are scared to try Japanese foods such as sushi. Why do you think this is and also, what foods are you reluctant to try?

Vocabulary

- | | |
|---------------|---------------|
| 1. perception | 5. preference |
| 2. initially | 6. dismiss |
| 3. discovery | 7. dare |
| 4. custom | 8. acceptable |

Scenario 1: All You Can Eat!

Student A and Student B are at a restaurant and are discussing which food they want to try from the international buffet.

Scenario 2: Cooking International Food

Student A and Student B are discussing which international dishes they know how to cook and why they like making them.

Eating out too often is very unhealthy.

Share a story about a time you tried international food.
